|         | 2                      |                       |                 |     |                   |            |              |
|         | 3                      |                       |                 |     |                   |            |              |
|         | 4                      |                       |                 |     |                   |            |              |
|         | 5                      |                       |                 |     |                   |            |              |
|         | 6                      |                       |                 |     |                   |            |              |
|         |                        |                       |                 |     |                   |            |              |

+MIXED Crews must have at least 1 male or 1 female.

\*MINORS: Team Captains are responsible to seek parental approval from parents or legal guardians to participate in the tournament, Battleground Zero Gaming Arenas IS NOT responsible to seek this approval.

\*\* Alternates: in case of sickness or another major event that a team member(s) cannot make it to the tournament it is allowed to update the roster prior communication to the organizers, however, the initial squad that started the tournament must finish the tournament. Alternates cannot participate selectively in matches or be included in the squad AFTER the tournament has started.

\*Note: Team Captain must be a part of the team and must be present in the Crew Assembly Area with his crew on Tournament days
